

Quality Policy

CCAS Limited

The company recognises that the disciplines of quality, health & safety and environmental management are an integral part of its management function.

The Directors considers these as a primary responsibility and to be the key to good business practice.

We will:

- Comply with all applicable laws and regulations.
- Follow a concept of continual improvements and make best use of our resources.
- Take due care to ensure that our work activities are safe for employees, suppliers, visitors and others who come into contact with our environment.
- Work closely with our customers and suppliers to establish the highest quality standards.
- Comply with our industry codes of practice.
- Conduct our business in a fair and ethical manner.
- Train our staff in the needs and responsibilities of our Quality Management Systems.
- Be aware of our environmental responsibilities when carrying out our work processes.
- Review and revise our policy at planned intervals to comply with the requirements of the standard.
- We are committed to carrying out the requirements of our Management System which meets the needs of our customers.

Signed (for and on behalf of the employer)

A handwritten signature in black ink, appearing to be a stylized 'D' followed by a period.
